MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Dr. Brzezinski,  
4 June 1980

1. I told him about the wrap-up of our Chief of Station. He wanted to know how long since we last had contact

2. I discussed his memorandum on providing increased aid to the

I went on to discuss the request from

I first went through the problems of providing these within the law but concluded by saying that we were just beginning to study this issue and would have to come back with a more specific recommendation.
